MD. AMRANUR RAHMAN

Date of Birth: 07-10-1989

Full Stack Web Developer (Laravel, WordPress, Shopify & CodeIgniter)

Since 2013, I have been employed as a Web Developer at many IT-based companies in Bangladesh as onsite and remote, developing web applications and hybrid applications in both corporate and start-up environments. I'm a full-stack web developer who is a fast learner, has strong communication skills, and is perfectly designed as client's requirements. On a personal level, I am humble, organized, focused, and precise in my work.
